

Turkish-Israeli Relations (1949-2010)

Alon LIEL - Can YIRIK

The Album, entitled Turkish-Israeli Relations (1949-2010), depicts six decades of diplomatic relations between the State of Israel and the Republic of Turkey through historical pictures. The Album is the only work that gathers the most important photographs - many of them unpublished so far - from the days of the first contacts between the Zionist leaders and the Turkish authorities to the present. This unique study, which divides the bilateral relations into four different chapters, enables the reader to assess the Turkish-Israeli relations in their historical context.

The book can be ordered online or by telephone.
